Error Log Entry

What error message did you encounter (if any)?

No error message

What unexpected behavior did your program exhibit?

When I clicked a new option to do in the combo box all the panels thats indicated where to type the info disappeared

What caused the issue? (e.g., syntax error, logic error, incorrect function usage, etc.)

I wanted to code that everytime I click the combo box and writting in the textfields would dissapear but instead I used the varibale names for the displays that show where the info should be types

Include a screenshot of specific lines of code.

```
accNumberDis.setText(null);
amountOfDis.setText(null);
fNameDis.setText(null);
lNameDis.setText(null);
beginningBalDis.setText(null);
```

How did you fix the issue?

Just Changed how the variable names to the text fields

Provide the corrected code or solution using a screenshot.

```
accNumText.setText(null);
amountofText.setText(null);
fNameText.setText(null);
lNameText.setText(null);
beginningBalText.setText(null);
```

What error message did you encounter (if any)?

None

What unexpected behavior did your program exhibit?

Instead of the correct fields being highlighted in red to state its mandatory and turn the rest black it just turns the mandatory ones red and keeps everything else at the same colour. So after a couple changeds in the combo box all the text turns red.

What caused the issue? (e.g., syntax error, logic error, incorrect function usage, etc.)

Forgot to turn non mandatory info text black everytime combo box choice is changed

Include a screenshot of specific lines of code

```
if(choice.equals("Withdrawl")) {
    accNumberDis.setForeground(Color.red);
    amountOfDis.setForeground(Color.red);

}else if(choice.equals("Add an account")) {

    fNameDis.setForeground(Color.red);
    lNameDis.setForeground(Color.red);
    beginningBalDis.setForeground(Color.red);

}else if(choice.equals("Remove an account"))
    accNumberDis.setForeground(Color.red);

}else if(choice.equals("Deposit")) {
    accNumberDis.setForeground(Color.red);
    amountOfDis.setForeground(Color.red);

}else if(choice.equals("Check Balance")) {
    accNumberDis.setForeground(Color.red);

}
```

How did you fix the issue?

Just made sure all non mandatory info text black after every combo box click

Provide the corrected code or solution using a screenshot.

```java
if(choice.equals("Withdrawl")) {
    accNumberDis.setForeground(Color.red);
    amountOfDis.setForeground(Color.red);
    fNameDis.setForeground(Color.black);
    lNameDis.setForeground(Color.black);
    beginningBalDis.setForeground(Color.black);

}else if(choice.equals("Add an account")) {
    accNumberDis.setForeground(Color.black);
    amountOfDis.setForeground(Color.black);
    fNameDis.setForeground(Color.red);
    lNameDis.setForeground(Color.red);
    beginningBalDis.setForeground(Color.red);

}else if(choice.equals("Remove an account")) {
    accNumberDis.setForeground(Color.red);
    amountOfDis.setForeground(Color.black);
    fNameDis.setForeground(Color.black);
    lNameDis.setForeground(Color.black);
    beginningBalDis.setForeground(Color.black);

}else if(choice.equals("Deposit")) {
    accNumberDis.setForeground(Color.red);
    amountOfDis.setForeground(Color.red);
    fNameDis.setForeground(Color.black);
    lNameDis.setForeground(Color.black);
    beginningBalDis.setForeground(Color.black);
}else if(choice.equals("Check Balance")) {
    accNumberDis.setForeground(Color.red);
    amountOfDis.setForeground(Color.black);
    fNameDis.setForeground(Color.black);
    lNameDis.setForeground(Color.black);
    beginningBalDis.setForeground(Color.black);
```
